NOTICES

Our April meeting was well attended and we hope that you enjoyed hearing about the origins and stories of some of the London squares from Gary Powell.

Mileage Rates - Since fuel prices have increased the committee have decided to up the mileage rate from 10p to 12p. Remember most people will not ask for money but it is, after all, good manners to offer when you accept a lift.

Monthly Meeting - 13th May – doors open 1.00pm, meeting starts promptly at 1.30pm

This month we will welcome Harvey Edgington, the brother of Adrian who is one of our members. Harvey will give us a behind the scenes look at the risks and conservation issues the Trust have to bear in mind when allowing their properties to be used as film locations.

He was the first full time Film Officer for the London Borough of Greenwich. The projects for the Trust include Bridgerton, Game of Thrones and Harry Potter to name but a few.

The image above is Lyme Park which was used as the backdrop of Pemberley in the 1995 version of Pride and Prejudice and the water in the foreground is where Mr Darcy (Colin Firth) emerged soaking wet to greet Elizabeth Bennet(Jennifer Ehle).

Membership Cards – will be available for collection at this meeting.,

Please remember to switch off or mute your mobile phones.

Monthly Meeting - 10th June - doors open 1.00 pm, meeting starts promptly at 1.30pm

You may remember that a few years ago David York, a policeman from The Fraud and Cyber Protection Team, came to let us know how to avoid being scammed.

Criminals are using the latest technological advances making their messages seem more and more authentic and difficult to spot.

David will update us on the latest state of online and phone fraud crimes and will include warnings on what to watch out for and what to do when we suspect that we are being attacked.

It would seem that we need such an update every year or so to stay safe.

There will be a raffle at this month's meeting and Paula and Marion would appreciate donations of suitable prizes.
